June 1, 2010

To the Parents or Guardians of:

Dear Parents or Guardians:

The purpose of this letter is to inform you that students in grades K-6 with a residence outside of the two mile limit from the school are eligible to ride the bus without a fee assessment. Your student meets the criteria to ride the bus without a fee.

Bus passes will be mailed in late August to lessen the likelihood of passes being misplaced before the start of school. Additionally, the bus routes will be posted at the schools in August and on www.ebps.net.

As in the past, the transportation policy limits the number of different buses that a student will be allowed to ride on. We will pick up students at up to two (2) different locations in the morning, and we will drop-off students at up to two (2) different locations in the afternoon during the school week (all subject to space availability). Please make daycare plans for your child with these limitations in mind.

An application to request an additional bus stop is enclosed with this letter. Additional applications will be available in the main offices of each school and on the district website, www.ebps.net. If you require a stop other than at your home address please complete and submit the application no later than **July 1, 2010**. Bus stops will be established based on information received by this date, after which new stops may be established only for students who enroll in the East Bridgewater Public Schools after that date.

Thank you for your anticipated attention to this matter. If you have any additional questions or concerns please contact our office at (508) 378-8200.

Sincerely,

Patricia Coppola- Lugo
School Business Administrator
